EXTRA - MICROPHONES

\$20.00 EACH (up to 4 mics)

One Portable, Great Sounding System.

The Expedition XP308i gives you the power to perform wherever you need it. With powerful, full-range sound in an all-inclusive portable package, the Expedition XP308i is an ideal single system solution for a variety of live sound applications. A compact sound and pa system with dual 2-way speakers, on-board mixer and 300-watt power amplifier, the Expedition XP308i is the

ultimate in portability thanks to a clever, lightweight design that allows you to connect all the pieces together into a single, easy to transport case. The internal 2 x 150-watt Class D power amplifier produces an incredibly clean and powerful stereo sound. The system's speakers are 2-way vented enclosures with heavy-duty 8-inch woofers for deep bass. These are complemented by a 1-inch titanium tweeter set in a custom horn with a 60 x 90 degree coverage pattern. The result is consummate dispersion and loud, lucid audio.
